American Mapping in France, Glenn S. Smith 88
American Topographer in the Rôle of Artillery Orientation Officer, The, F. E. Matthes 86
Ancient Piedmont Route of Northern Mesopotamia, The, Ellen Churchill Semple 77
Arable Land in the United States, O. E. Baker and H. M. Strong 71
ARCTOWSKI, HENRY, War Services of 53
Association of American Geographers, War Services of Members of the 53
ATWOOD, WALLACE W., The Call for Geographers 71
——, War Services of 54
BAGLEY, J. W., and FRED H. MOFFITT, A Method of Aerial Photo-Topographic Mapping 83
BAKER, O. E., War Services of 54
——, and H. M. STRONG, Arable Land in the United States 71
BARROWS, HARLAN H., War Services of 54
BAUER, L. A., War Services of 54
BINGHAM, HIRAM, War Services of 55
BONGHAM, HIRAM, War Services of 55
Boundaries, Principles in the Determination of, Albert Perry Brigham 83
BOWIE, WILLIAM, War Services of 55
BOWMAN, ISAIAH, War Services of 56
BRIGHAM, ALBERT PERRY, Principles in the Determination of Boundaries 83
BROOKS, ALFRED H., War Services of 56
BROOKS, CHAS. F., Ocean Temperatures in Long-Range Forecasting 72
——, War Services of 57
BROWN, ROBERT M., War Services of 58
Call for Geographers, The, Wallace W. Atwood 71
CAMPBELL, M. R., Geographic Descriptions of Army Cantonments and of United States Boundary Regions 84
CHAMBERLAIN, JAMES F., War Services of 58
CHURCHILL, WILLIAM, The Colonies, late German, in the Pacific 72
——, War Services of 58
Circumference of Geography, The, Nevin M. Fenneman 3
Climates of Our Leading Crop Plants, The Present and Past, Henry C. Cowles 73
Climatic and Geographic Influences on Ancient Mediterranean Forests and the Lumber Trade, Ellen Churchill Semple 13
Colonies, late German, in the Pacific, The, William Churchill 72
CONDRA, G. E., Potash a Factor in Winning the War 73
——, War Services of 58
COWLES, HENRY C., The Present and Past Climates of our Leading Crop Plants 73
CUSHING, SUMNER W., War Services of 58
Crop Plants, The Present and Past Climates of our Leading, Henry C. Cowles 73
DARTON, N. H., War Services of 58
DAVIS, WILLIAM MORRIS, Physiographic Evidence of Subsidence of Reef-Encircled Islands 73
——, War Services of 59
——, Work of the Geography Committee of the National Research Council 73
DODGE, RICHARD E., Some Aspects of the Food Problem 73
DRYER, CHARLES REDWAY, The Maumee-Wabash Waterway 41

EMERSON, F. V., The Southern Longleaf Pine Belt 74
FASSIG, OLIVER L., The Signal Service School of Meteorology 85
FENNEMAN, NEVIN M., The Circumference of Geography 3
——, War Services of 59
Food Problem, Some Aspects of the, Richard E. Dodge 73
Forecasting, Ocean Temperatures in Long Range, Chas. F. Brooks 72
FREE, E. E., War Services of 59
Geographers, The Call for, Wallace W. Atwood 71
——, War Services of Members of the Association of American 53
Geographic Descriptions of Army Cantonments and of United States Boundary Regions, M. R. Campbell 84
Geographic Influences on Ancient Mediterranean Forests and the Lumber Trade, Climatic and, Ellen Churchill Semple 13
Geographic Instruction in the Universities, Organization of, Herbert E. Gregory 74
Geographical and Geological Work in the Allied and Enemy Armies, Douglas W. Johnson 75
Geographical Notes on the Greenland Coast from Melville Bay to Etah, Edmund Otis Hovey 75
Geography, A Statistical Study of New England, Roland M. Harper 74
Geography Committee of the National Research Council, Work of the, William Morris Davis 73
Geography in the Work of the Student Army Training Corps, Herbert E. Gregory 74
Geography, The Circumference of, Nevin M. Fenneman 3
Geography of the Rocky Mountain National Park, Colorado, Notes on the, Willis T. Lee 75
GLEASON, H. A., War Services of 59
GOLDTHWAIT, JAMES WALTER, War Services of 59
GREGORY, HERBERT E., Geography in the Work of the Students Army Training Corps 74
——, Organization of Geographic Instruction in the Universities 74
——, War Services of 60
HARPER, ROLAND M., A Statistical Study of New England Geography 74
HENRY, ALFRED J., Increase of Precipitation with Altitude 74
——, War Services of 60
HOVEY, EDMUND OTIS, Geographical Notes on the Greenland Coast from Melville Bay to Etah 75
Increase of Precipitation with Altitude, Alfred J. Henry 74
Internationalization of Mineral Resources, C. K. Leith 86
Italy, The Terrain and the War in, Frederick Morris 77
HUNTINGTON, ELLSWORTH, War Services of 60
JEFFERSON, MARK, War Services of 61
JOERG, W. L. G., War Services of 61
JOHNSON, DOUGLAS W., Geographical and Geological Work in the Allied and Enemy Armies 75
——, War Services of 61
Lakes of the New Madrid Earthquake Area, The So-called, Eugene Wesley Shaw 77
LEE, WILLIS T., Notes on the Geography of the Rocky Mountain National Park, Colorado 75
LEITH, C. K., Internationalization of Mineral Resources 86

LIBBEY, WILLIAM, War Services of 62
McADIE, ALEXANDER, War Services of 63
MANSFIELD, G. R., War Services of 63
MARBUT, C. F., Relation of Soil to Topography 75
——, War Services of 63
MARTIN, LAWRENCE, War Services of 63
MATTHES, F. E., The American Topographer in the Rôle of Artillery Orientation Officer 86
——, War Services of 65
Maumee-Wabash Waterway, The, Charles Redway Dryer 41
Mediterranean Forests and the Lumber Trade, Climatic and Geographic Influences on Ancient, Ellen Churchill Semple 13
MEINZER, OSCAR EDWARD, War Services of 65
Meteorological Work of the United States Army, Some Scientific Aspects of the, R. A. Millikan 75
Meteorology, The Signal Service School of, Oliver L. Fassig 85
Method of Aerial Photo-Topographic Mapping, A., J. W. Bagley and Fred H. Moffitt 83
Mexican Petroleum and the War, Eugene Wesley Shaw 86
MILLER, GEORGE J., War Services of 65
MILLIKAN, R. F., Some Scientific Aspects of the Meteorological Work of the United States Army 75
MOFFITT, FRED H., J. W. BAGLEY and, A Method of Aerial Photo-Topographic Mapping 83
MORRIS, FREDERICK, The Terrain and the War in Italy 77
National Research Council, Work of the Geography Committee of the, William Morris Davis 73
NICHOLS, GEORGE E., War Services of 66
New England Geography, A Statistical Study of, Roland M. Harper 74
Ocean Temperatures in Long Range Forecasting, Chas. F. Brooks 72
Organization of Geographic Instruction in the Universities, Herbert E. Gregory 74
PARKINS, A. E., War Services of 66
Petroleum and the War, Mexican, Eugene Wesley Shaw 86
Photo-Topographic Mapping, A Method of Aerial, J. W. Bagley and Fred H. Moffitt 83
Physiographic Evidence for Subsidence of Reef-encircled Islands, William Morris Davis 73
Pine Belt, The Southern Longleaf, F. V. Emerson 74
Potash a Factor in Winning the War, G. E. Condra 73
Precipitation with Altitude, Increase of, Alfred J. Henry 74
Present and Past Climates of our Leading Crop Plants, The, Henry C. Cowles 73
Principles in the Determination of Boundaries, Albert Perry Brigham 83
Rainy Days and Rain Probability in the United States, Robert DeC. Ward .. 82
REID, HARRY FIELDING, War Services of 66
Relation of Soil to Topography, C. F. Marbut 75
Rocky Mountain National Park, Colorado, Notes on the Geography of the, Willis T. Lee 75
ROORBACH, G. B., War Services of 66
SALISBURY, R. D., War Services of 66
SCOFIELD, C. S., War Services of 66
